INSTRUCTIONS AND DIRECTIONS FOR COMPLETING WORKSHEET B - COVERED ELECTRONIC WASTE RECYCLING PAYMENT CLAIM

1. Reporting Information

- Reporting Period: Enter month and year of reporting period.
- CEW ID#: Enter your approved CIWMB CEW ID #. You can not make a claim if you are not an approved Recycler.
- Activity Period: Enter dates from beginning of activities to the end of activities. An activity period is the time interval in which the Approved Recycler or Dual Entity has handled (e.g., received, collected, stored, refurbished, reused, transported) and processed the CRT and/or CRT containing CEWs which are included in this claim report.
- Weight of CEWs COLLECTED: Enter total pounds of non-CRT-containing CEWs collected during this activity period.
- Weight of CEWs CANCELLED: Enter total pounds of non-CRT-containing CEWs cancelled during this activity period.
- Weight of CEWs COLLECTED/NOT CANCELLED: Enter total pounds of non-CRT-containing CEWs collected but not cancelled during this activity period. Provide a description of the disposition in part 2.

2. Disposition of Non-Cancelled Non-CRT-Containing CEWs

- Enter a description of the disposition of CEWs that are not cancelled. (Including but not limited to reuse, repair, refurbish, storage, resale, transfer or export.) Attach separate page if additional space needed.

3. Calculation of Cancelled Non-CRT-Containing CEWs from California Sources Only

- Enter the total Certified weight in pounds of non-CRT-containing cancelled CEWs. This calculation should match what was reported on the main page of CIWMB Form 196.
- Multiply the total weight entered above by the applicable standard statewide combined recovery and recycling payment rate of found in regulations at Title 14, Section 18660.34 of the California Code of Regulations (CCR).
- Enter the calculated total of the weight multiplied by the payment rate on this line.
- Check box to indicate cancellation method used by recycler making this claim.

4. Post-Cancellation Disposition of Circuit Boards

- Enter the total weight of circuit boards that was GENERATED from cancellation.
- Enter the total weight of circuit boards that was SHIPPED. Remember only shipped circuit boards can be claimed for payment.
- Enter the total weight of circuit boards, in pounds, that was STORED.
- Enter the name and complete address of the END USE DESTINATION facility. Attach separate page if additional space needed.
- Check the appropriate boxes to indicate:
 - BILLS OF LADING for cancelled circuit boards showing weights shipped, destination(s) and date shipped have been attached.
 - Receipts from END-USE DESTINATION(S) showing proof of disposition have been attached.
 - CANCELLATION RECORDS have been attached, showing amount cancelled in weight, manufacturer name, model number, and serial number for all non-CRT-containing CEWs. (use attached log or equivalent)

5. Estimated Weight of other Treatment Residuals from Cancelled Non-CRT-containing CEW from California Sources

- Enter in the estimated weights, in pounds, for each residual category that was shipped or stored. Please specify the type of treatment residual if listing something under the "other residuals" category. Calculate the total of the residuals and enter into the Total Residuals box.
- Describe disposition of residuals. Attach separate page if additional space needed.
